SHE KNEW OF HER TIME OF DEATH.
JUST BEFORE MEETING YOU.

A DISEASE THAT COULDN'T BE CURED WAS EATING AWAY AT HER.
THAT'S WHY, SINCE THEN, SHE ASKED ME TO TAKE OVER THE CLINIC.
"All your worries"
SHE...
WOULD TALK ABOUT YOU EVERY TIME WE MET EACH OTHER,
"I wanted to see again no matter what"
A SMART FOX
THAT SHE SAID
"Let's try our best to live"

Gin has been silent since then.

In the middle of that human's words,
there was certainly something important for Gin.
...But,
Frankly,
that human left after speaking gibberish to me and

It's also a fact that it saved Gin.

I'm an idiot so I won't understand such complicated things.
THAT HUMAN WAS A GOOD FELLOW!
EVEN THOUGH I WAS COVERED IN MUD, HE SAID I WAS CUTE!
I GUESS IT REALLY IS TRUE THAT IF YOU'RE GOOD ON THE INSIDE IT SHOWS ON THE OUTSIDE.
DON'T LAUGH!
You're being rude!
I'M NOT LAUGHING.

I think it would be good for Gin to become more used to laughing
MORE AND MORE!

I was bought and then thrown away after they lost interest in me.
I just wanted a place to belong.

SCANLATOR'S RAMBLINGS

Notes:

1) When the doctor says teacher, he says it in a very polite way. I don't really get it myself but lion and I take it to mean that he's very respectful towards the female doctor (have you noticed that we still don't know her name?), especially now that she's passed away

2) Gin uses Non's name here for the first time ever. If JP culture is unfamiliar to you, names are usually used only when you're very close to that person or that person is of equal standing/lower standing than you. Or you could just be speaking rudely, but that's not the problem here. So Non takes it as a sign of affection, which makes him happy and he chooses to go with Gin.

3) If you haven't noticed it on our tumblr (I post everything there first!), I made a mistake on one of the translations. Please check it out.

Comments:

Mitira-

I thought I'd try during this chapter but I literally have no more tears left to spare. Also, I was too happy to cry because I finally got typesetters to do the part that I've dreaded the most. And they did a damn fine job of it~ BUT CAN SOMEONE TELL ME WHY WE DON'T KNOW SENSEI'S NAME YET? SHE'S LITERALLY MY FAVORITE SUPPORTING CHARACTER.

lion

You'll hear from her next time :'(

Yuki

This chapter really got me... It started with a heartbreak and then little by little gave us cliche BL moments. It really escalated again with Gin telling him to button up his shirt again lol. And I really enjoy Mith's notes. Damn at the rain scene I was drinking water and choked laughing when I saw the note.

Ahlow

The work was fun, typesetting the chapter was somewhat sad especially as I slowly found out what happened. But that aside I'm just grateful I was able to join and do it. Hopefully, I can continue to help this group in the future.

Doki

Pouting Nonta is life. Can I wish to see it more? LMAO. But the last message of Gin's sensie tho. Insert "Mah hart, Mah sole." meme here.

Hana

You'll hear from her next time :'(
